

We can help you find it!

We have a lot to offer at the Monmouth County Library. We have events scheduled throughout our branches for adults, families, children and teens. Find more information about these events on our webpages for [teens](#) and [children](#) .

You can easily find this information and more using our new mobile app. You can download it [here](#) . You can access your library account, put books and DVDs on hold, check the hours at our branches and follow our events using this app.

We have eBooks and audiobooks available to download to your eReader or mobile device from our [Library on the Go](#) . You need to have a resident library card to use this service.

We have plenty of databases to help you with your research for work, school or home. Click [h ere](#) to find out what is available. You can learn a foreign language, trace your family tree, find out more about stocks and investments, read newspapers and find literary criticism that be used for school projects or general interest. Many of these databases can be used at home if you are a library cardholder and of course, they can be used at your local branch. Want to find a good magazine? We also have just added [Flipster](#) which allows you to download magazines to your iPad, iPad mini and Android tablet. You can download magazines at the library or from home with your library card. Check out this [video](#) to find out more about Flipster.

What should you read next? Find it [here](#) or at Novelist Plus under our Research tab or ask your local librarian. Find out what the [Best Books of 2014](#) were.

There is also a Career Center at the Eastern Branch in Shrewsbury and there are plenty of [online resources](#) if you are trying to find a job or a new career.

Come in and visit your local [branch](#) . Get a [library card](#) , find out what [books and DVDs](#) are available. Keep up with our happenings and see photos by following us on
