

**As part of ongoing outreach efforts to communities still recovering from Superstorm Sandy, the Digital Bookmobile National Tour will visit the Eastern Branch of the Monmouth County Library on Tuesday, October 7.**

The Digital Bookmobile ( [www.digitalbookmobile.com](http://www.digitalbookmobile.com) ) will showcase the Monmouth County Library's free eBook service *Library on the Go* ! at the Eastern Branch in Shrewsbury on Tuesday, October 7 from 1:30 PM to 7:30 PM.

Readers of all ages are welcome to this free event, and are encouraged to bring their electronic devices with them for download instructions and assistance. The Eastern Branch Library is located at 1001 Route 35 in Shrewsbury 07702.

One of our member libraries, Sea Bright, remains closed after being devastated by Superstorm Sandy in October 2012. The building for another member library, Monmouth Beach, remains closed, but librarians are offering limited library services at the Monmouth Beach Municipal Center. The Library's Oceanport branch has been relocated, after flooding damage from Sandy forced the closure of Oceanport Borough Hall, where the branch was located.

"We are pleased to welcome the Digital Bookmobile to the Eastern Branch, where residents of many of the Sandy-affected communities can gather to learn more about the downloadable eBook services the Monmouth County Library has to offer – technology that allows to you to access books and information on your personal electronic device," said Judi Tolchin, Acting Director of the Monmouth County Library System.
